

Repairing minor damage to cars...

Assessment Guide

Follow these simple instructions to assess your damage

Print this page on A4 paper and set your printer to 'Actual Size'

Place the centre circle at the middle of the damaged area. Ensure the damage fits within the 300mm circle, then take a digital photograph of the damage. Go online to shinerepair.com and book your repair. You will need to send us your photograph.

If the damage doesn't fit within the 300mm circle, please contact us on 0800 032 1067 to discuss your repair in more detail.
